Apex Super Speciality Hospital & PGI

Apex Super Multi Specialty Hospital is an ISO 9001:2015 certified and NABH Accredited, 300 Bedded Multi Super Specialty Hospital, one of the most renowned Hospital in central India. Apex Super Multi Specialty Hospital is a well-equipped patient & family friendly, with the largest campus in private sector, located at B.L.W, Hydel Road, the Holy City of Varanasi. The Hospital continued the pursuit of excellence in healthcare, compassion and the commitment & is known for its outstanding medical complex exclusively integrated with best medical infrastructures. This Hospital was a dream-project of a group of young people who took their inspiration from Prof. S.M. Tuli, a renowned Orthopedic Surgeon and Great Teacher of the country. The institution was set up with a noble mission of providing health care and social services to the society.

Apex College Of Nursing, Varanasi

Apex College of Nursing is a constituent unit of Apex Super Multi Specialty Hospital, and one of the pioneer institutes in the holy city of Varanasi. The Apex College of Nursing is the one-stop destination for meeting the academic needs of students making it an educational hub catering to fulfilling the innate dreams of students. The college has state-of-the-art facilities and an eco-friendly campus. The college offers ANM, GNM, B.Sc. Nursing, Post Basic B.Sc. Nursing and M.Sc. Nursing Courses in Nursing Profession.

The college has experienced and well-qualified faculties to ensure the quality of nursing education by incorporating innovative teaching-learning activities that focus on clinical competence and individual attention to students. Students receive extensive clinical experience in campus bedded multispecialty hospital, tertiary care, and other affiliated hospitals. The college also creates an environment for the generation of innovative knowledge through research.

About the conference:

The conference aims to foster knowledge regarding advancement in immunotherapy.
